1. If participation levels warrant a combined team in lieu of separate teams per grade as indicated on this schedule, coaches receive the allocated amount for only one team.
2. If a coach leads more than one team, practices must be held separately to receive 100% of allocated compensation for both teams.
3. If the same coach leads more than one team, but holds joint practices, compensation will be at 100% of allocated compensation for one team and 75% for the other.
4. Staffing levels in excess of above schedule shall not result in total compensation exceeding amount allocated per team.
5. Staff members returning to same position they held in 2019-2020 will be grandfathered in at previous pay scale.
6. Coaches receive up to 2 shirts with a value up to \$75.
7. Part-time AD (up to 126 days) has been added to staffing, rather than the extra-duty sports schedule for retirement purposes and in order that the board does not need to consider an increase in funding each year to allocate the same number of days.

SUBSTITUTE TEACHER SALARY SCHEDULE

Rank	Daily Rate
I	150
II	140
III	130
IV	120
V	110

Each substitute must hold regular certification or an emergency certificate from the State Department of Education.

Teachers who once held regular certification in Rank III, II, or I, and who became ineligible for regular certification may qualify for a five-year CERTIFICATE FOR SUBSTITUTE TEACHING instead of the Emergency Certificate requiring annual renewal.

Substitute teachers are paid for the appropriate rank rendered under regular certification, and are paid on this salary schedule with the exception of fulfillment of long-term assignments.

A long-term assignment refers to at least 20 continuous days in the same class. After 20 continuous days, a Rank I, II or III substitute will be paid at his/her daily wage retroactive to day one of the assignment, regardless of prior or current content area certification. A Rank IV or V substitute will be paid at the daily rate of \$145 for a long-term assignment. After 20 continuous days, the substitute will not forfeit long-term assignment status in the event of a single absence.

Long-Term Certified Substitute: a substitute that is employed to fill in for a classroom teacher in excess of twenty (20) consecutive work days.

Whenever an assignment of a substitute teacher exceeds twenty (20) consecutive work days, the substitute teacher will be paid on the regular teacher's salary schedule beginning on the twenty-first (21st) day. Continually after twenty (20) days may be broken and the substitute still receive full pay if they have a legitimate preapproved reason that is approved by the Principal and the Director of Human Resources. To be eligible for this position, the service must have been continuous within the same position and the substitute must hold a four (4) year degree. Substitute teachers with less than Rank III are not eligible for the regular teacher's salary under this section.

Rationale: Occasionally, due to an illness, injury, maternity leave or early retirement, there will be a need to utilize a substitute teacher for an extended period of time in a particular classroom. When this happens, the substitute usually must for all practical purposes, assume total responsibility of the classroom including daily lesson preparation, student supervision, student evaluation, completion of records and supervision of student activities. Long term substituting expects more of a sub than is normally required of a short-term sub that simply follows lesson plans and activities prearranged by the regular classroom teacher.

Responsibilities: In order to qualify for the **long-term substitute pay**, the substitute must assume total responsibility for classroom management and instruction plus other duties as normally assigned to the regular classroom teacher (i.e, lesson plans, entering grades, extra duty assignments, etc.)

Pre-Authorization Required: The school principal must submit a recommendation indicating beginning and expected ending date of a long term assignment along with the certification of the individual being considered.
