School Meals

JCPS participates in the Community Eligibility (CE) Provision in all school locations. This allows every student to receive a reimbursable breakfast and a reimbursable lunch free of charge each day. Students can purchase à la carte snacks or extra menu items using their account or cash in hand. Parents can deposit money into their child's account at www.myschoolbucks.com. To access a mobile app that provides menu and nutrition information, visit jcps.nutrislice.com.

Childcare

The Child Enrichment Program (CEP) provides quality before- and after-school childcare throughout the school year for JCPS students in kindergarten through grade eight at dozens of school sites. The program operates before school, starting at 7 a.m., and after school until 6 p.m. Registration is open throughout the year, and spaces are available on a first-come, first-served basis. If you would like more information about CEP or how to register your child, please call **485-3834** or the YMCA School-Age Childcare Services Branch at **637-1575** or visit the YMCA website at www.ymcacalouisville.org.

Fee Waivers and Educational Benefits Form

Because JCPS is CE districtwide, there is no longer a need to complete the meal application for your K–12 child to receive free meal benefits. Parents of students who are not directly certified to receive free meal benefits will need to complete the Educational Benefits Form (EBF) in order to qualify for fee waivers and other free eligibility status benefits. The EBF also helps your child's school qualify for grants and other educational resources. Parents can complete the EBF online at jcps.me/ebf.
